

PETALUMA FLY-IN & SEMINAR

SATURDAY, JUNE 13, 2009

9:00 a.m.

Petaluma Municipal Airport

Sponsored by ICS and Mangon Aircraft

RESOURCES FOR THE PROFESSIONAL!

PRESENTORS: Matt Kurke, Comanche Gear & Kristin Winter, A&P, IA

This seminar will provide tips on what to look for to properly inspect a Comanche to ensure that it remains in airworthy condition. The agenda includes:

- Service History, Airworthiness Directives, and Service Bulletins of note
- Current Airworthiness Issues
- Tips for Efficiently Inspecting Key Areas
- Sourcing of Parts and Repairs
- Using Owner Produced Parts Safely and Legally
- How to Get Technical Support

We encourage everyone to bring their mechanic. All A&P mechanics attending the course will receive a certificate of completion. All participants will receive useful handouts with resources they can use on a daily basis to help maintain our Comanches and Twin Comanches.

The seminar runs on Saturday from 9:00 a.m. until approximately 4:00 p.m. Lunch will be provided. The cost of the seminar is \$40.00. You must RSVP to me at kristin_winter@comcast.net by Friday, June 5, 2009, to ensure you will get lunch, a chairs, and handouts. Past the registration deadline you can contact me to see if there have been any cancellations. You can also contact me at 707-477-4727, but email is vastly preferred.

For those interested in staying overnight, we can suggest The Sheraton, 745 Baywood Drive at the Petaluma Marina 707-283-2888. They are quoting \$139.00 per night online and The Best Western Petaluma Inn, 200 S. McDowell Street. 707-763-0994. This hotel is approximately $\frac{3}{4}$ of a mile from the airport. They are quoting prices of \$99 per night. There is more noise at this hotel, as it is close to freeways but does have easy access. I will do my best to provide transportation back and forth from the hotel, though cabs are available.
